We make great products. It's that simple.

CBI Cables is approaching 40 years of providing the entertainment and related industries interconnect products of the highest quality. From the beginning, we produced the most dependable cables in the music industry. Over time, our cable line has expanded to support pro audio, video, data, lighting, power, install, and more. We have a reputation for our custom specialty items and "one of kind" customer spec designs, often resulting in innovative new products that change the industry altogether.

We always use the finest materials, with quality OEM manufactures such as Belden, Neutrik, Leviton, Carling, Switchcraft, Amp, and Amphenol providing most of our components. All main line assembly work is completed in our Upstate New York facility by our talented staff.

Over time, we have established wonderful relationships with our customers, vendors and suppliers. All of this to build on the value of the quality finished products you love.

As you explore this catalog, our terrific sales staff sits just a phone call away ready to help you with whatever needs you have.

Be the product

With the custom services at CBI Cables, you can become the product you're selling, leaving a lasting impression with every customer. They won't ever have to question where they got it, or where to get another!

BRANDED PACKAGING

Give your CBI packaging added flair with a custom look. Our graphic design team will work with you to create the perfect branded packaging for each product you buy through us – adding value to your cables, while offering extra promotional efforts.

BRANDED HEAT SHRINK

Brand your cables like you would every other aspect of your business. With CBI's custom heat shrink options, your company's name, logo, etc. can be printed on each cable you buy from us. The shrink provides an easy way to promote your company on a CBI cable of your choosing.

BRANDED ENGRAVING

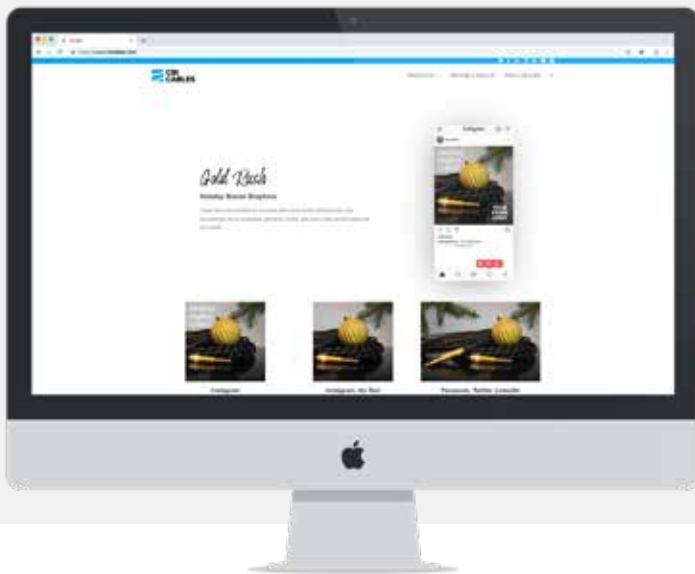

Grab people's attention instantly with CBI's branded engraving options. Speak volumes about the quality of your product with the added touch of an engraved product that is built-to-last for years to come. Whether you want your logo, contact info, or even a client's information engraved – CBI can make it happen.

CUSTOM SHOP WORK

CBI Cables is the go-to for any and all custom-made products with the speediest delivery in the business. Our product line spans multiple industries where the standard configuration isn't always the rule. CBI will work with you to meet your expectations and deliver a high-quality product every single time.

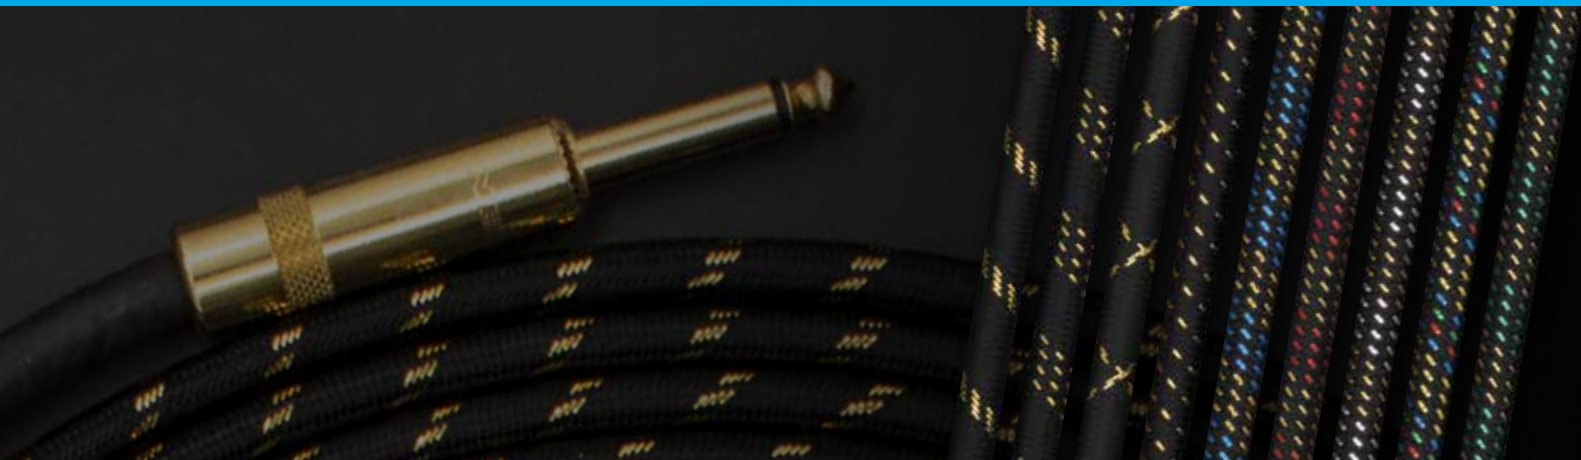

SOCIAL MEDIA AND MARKETING RESOURCES

When you use CBI Cables, you're not only getting the cables you purchase, but by extension you're getting a marketing department ready to help you sell them!

Our marketing team is happy to provide product photos, descriptions, tags, and promotional graphics for each of our dealers' marketing efforts.

CB² Solutions

You know the all-too-common experience. A new customer walks in looking for an adapter for their phone, or their speaker system, or their computer. Even after confirming what they want, and that you normally carry it, you have to turn them away. Why? Because you can't meet the order minimums for your vendor, so it hasn't been stocked in months.

At CBI, we have no order minimums, and our accessories line 'CB² Solutions' is catered to you. Order whatever quantities you NEED instead of having to fit the narrow order restrictions other companies demand.

Terms & Conditions of Sale

PAYMENT TERMS

All new customers must complete a dealer application. Available terms include the following: COD (Check/Certified): A \$30 NSF fee will apply to all returned checks. Requires approval of completed credit application. Credit Card: CBI Cables accepts all major credit cards. Credit cards require cardholders' signature to be kept on file. Net-30: Requires approval of completed credit application. Wire Transfers: Will incur a bank fee. Special terms and conditions may apply. Customer is liable for any and all collection fees on unpaid checks and past due open accounts. CBI maintains strict data storage security measures. All customer information is kept confidential.

SALES TAX

Shipments are subject to state sales tax unless the required paperwork is completed prior to the time of sale. Requirements vary from state to state. Your sales representative will assist you.

SHIPPING

All orders are FOB from the factory in Oriskany, NY. CBI will choose UPS or FedEx Ground unless specified. Other options are US Postal and common carrier truck (required for 150+ lbs). Customer is responsible for all additional charges. Residential delivery, refusals, incorrect addresses, liftgate charges, etc.

DROP SHIPMENTS

CBI is pleased to provide drop shipment service for your customers. However, a \$5 handling charge will apply. Signatures will be required. Any additional charges are the responsibility of the customer. This may include but is not limited to refusal charges, signature required, liftgate delivery, residential charges, etc.

REFUSALS

Customer is responsible for all freight costs incurred for a refused order. This includes the original shipping and the return shipping. Refusals are also subject to a restocking fee.

RETURNS

Prior authorization is required. CBI will not accept returns from shipper without return authorization number. Call with any problem. All standard returns for credit are subject to a 20% restocking fee. All custom products and special-order items are non-returnable and non-refundable. Customers must notify CBI within 30 days of receiving any order discrepancies. No returns will be accepted after 60 days.

RUSH ORDERS

Expedited orders are CBI's specialty. However, when additional production or shipping costs are incurred by CBI on rushed orders, they will be passed on to the customer as an expedite fee. You will be advised of any such fees before the order is processed.

LIABILITY

All prices and specifications are subject to change without notice. CBI will not be liable under any circumstances for consequential, incidental, special, or exemplary damages. CBI's liability will be limited to the repair or replacement of a defective product.

CUSTOM ORDERS

CBI will build to your exact requirements. Custom work will require written approval and/or drawings. Quotes and delivery information are usually available the same day. A 50% deposit is required. All deposits are non-refundable once production begins, or custom parts are ordered, including special orders of non-catalog items.

PRIVATE PACK & CABLE PRINT

CBI offers private label / custom packaging to our dealers and distributors. Minimum orders apply, and custom packaging materials must be prepaid by the customer. Custom printing on heat shrink is available on a minimum order of 20 pieces. There is a \$\$\$ per piece print charge for this service. For custom shrink, begin the with a "P" followed by a hyphen (P-).

ALL PRICING AND SPECIFICATIONS ARE SUBJECT TO CHANGE WITHOUT NOTICE.

WARRANTY

All of our products come with either a 10 year or a Limited Lifetime Guarantee. This is outlined on the packaging of each product. This warranty covers defects in materials or workmanship. Abused cables will be excluded from these warranties.

Warranty items may be returned to our facility, the address is listed below.

Please provide proof of purchase, a brief description of the problem, a good phone number and an email address in case we need to contact you.
